The 2010 Spring PD Day is being held at the  
Lansing Community College  
West Campus Conference Center.

5708 Cornerstone Drive  
Lansing, MI 48917

LCC West Campus is located off 496 on the  
Creys Road exit; turn right at the light (Creys).  
Turn left at the next light (Mt Hope Highway).  
Continue on Mt Hope Highway for approximately  
a half-mile, turn left onto Sanders Drive (Just  
after the David Chapman Insurance Agency).  
The facility is straight ahead.

UP Video Feed being sent to:

**Copper Country ISD**  
809 Hecla St  
Hancock, MI 49930

Attendees will learn skills necessary to help  
deploy and manage Windows 7!

General Session will include:

- Microsoft Deployment Toolkit
- AppLocker
- PowerShell

Split Sessions will include:

- Group Policy / Active Directory
- Zen 10

**Matt Hester** is a seasoned Information  
Technology Professional Evangelist for Microsoft.  
Matt has been involved in the IT Pro community for  
over 15 years. Matt is a skilled and experienced  
evangelist presenting to audiences nationally and  
internationally. Prior to joining Microsoft Matt was  
a highly successful Microsoft Certified Trainer for  
over 8 years. After joining Microsoft, Matt has  
continued to be heavily involved in IT Pro  
community as an IT Pro Evangelist. In his role at  
Microsoft Matt has presented to audiences in  
excess of 5000 and as small as 10. Matt has also  
published 4 articles for TechNet magazine and  
runs a successful blog with ~350K touches a  
month.

**Mike Brady** is the IT Director for Ingenuity  
IEQ. He has 20 years of experience working  
in IT. Mike has always taken pride in getting  
the most "bang for the buck" out of  
technology, taking a common sense and  
practical approach to solving problems.
