

# Michigan Association for Educational Data Systems

## What is MAEDS?

The Michigan Association for Educational Data Systems is an organization comprised of individuals interested in educational computing and related activities. MAEDS is incorporated as a non-profit organization in the State of Michigan. Its purpose is to provide, promote, encourage, advise and cooperate in the use of technology to support the educational enterprise.

## Registration

Registration is now open for the MAEDS Fall Conference. Please go to [www.maeds.org](http://www.maeds.org) to register for the conference. Once registered, you will receive an email with instructions on reserving your hotel with our member group rate. The hotel books up quickly so don't wait to register.

**MAEDS 54 Fall Conference**

**IT'S 2018, DO YOU KNOW
